I, \_\_\_\_\_, have thoroughly read the Study Abroad Participant Guide and am aware of the structure and organization of the program, the coursework, the visits, the grading system, the schedule, the housing information and meals, as well as the helpful information listed in this guide. I am also aware of the times and places of the events listed in the detailed schedule and will respect these by being on time for all events. I also understand that these times and events are subject to change and will be flexible to these changes. Finally, I know that if I have any questions before arriving in France I can contact the GEA secretary at.
